Leaving for work

Leaving for a
long vacation

Wanting to get
it on

Wanting some
alone time

I'm sorry

I'm busy right
now

You are beautiful

I just want to
go to sleep

I'm still mad
at you

Spiderman Kiss

Kiss in the rain

I can't wait to rip
your clothes off
and do you good

I've missed you

I care about you

Just got home
from work

Super amped
about life

I wonder how
my team is doing

You just got
home from the
gym and you're
very sweaty

Embarrassing your
kids

Hoping for some
comfort in a hard
time

I need help with
chores

Happy anniversary

I'm cold, please
help me warm up

Let's play a game
