While the Audio/MIDI track you select is on the screen, the rest of the mix can be previewed at 60 fps. You can also record up to 32 tracks (16 at 24-bit/96 kHz and 16 at 24/96 kHz). Alan Wake's American Nightmare is coming to PC on May 20th, developer Remedy has announced. The post-apocalyptic game follows protagonist Alan Wake, a writer and detective whose life is turned upside down by a mysterious infection. The game will include Alan Wake's American Nightmare: The Writer's Edition downloadable content, which was released for consoles in 2014. The PC port, exclusive to GOG.com and Paradox's digital store, comes with a new online multiplayer mode, easier to control aiming, and customizable controls. The English-language version of the game is a remaster of the Xbox 360 version. The American Nightmare expansion is also on the way for Xbox One and PC. Expect Alan Wake's American Nightmare to come to PS4, Xbox One and PC this summer. Show HN: A Game About Driving and Development - StormJ ===== StormJ Author here. It's a first-person game where you control a unicycle through a network of walls. You can play it here: [The main motivation was to have fun and exercise how I as a developer think about problems. I find I have some flexibility with my unicycle skill, but not so much with my top-down thinking. So in this game, I use a framework called Vulm[1] which lets me keep a compiled C++ application running with C# bindings and a "vulm" server. This way, I get the same code base for all platforms and can keep evolving it simultaneously. Some parts are just experiments though. I just love physics games. [1]: [~~~ glogla I like it. I
